

Remarks

Amendments have been made to place the claims in condition for allowance in accordance with a phone conference with Examiner Yang this date. Independent claims 1, 9, 10, 18, and 29 have been amended to refer to a public communications network or local area network and the use of a computer numerical control robotic tool. Claim 28 has been cancelled.

The Applicants gratefully acknowledge the Examiner's communication. As claims 1-27 and 29-36 as amended, as applicable, have been agreed upon to be acceptable, the Applicants respectfully request the claims' allowance and passage to issue. If the Examiner has any questions about the present Amendment, a telephone interview is respectfully requested.

Respectfully submitted,
